

MULTISTAIN REMOVER

Pro Cleaner

NO SCRUB. NO ODOR. NO BLEACH.

DESCRIPTION

The YCS Pro Cleaner, with a powerful 17% peroxide concentration, is tailor-made for restoration and remediation professionals. This efficient cleaner swiftly tackles dirt, mold, mildew stains, algae marks, bloodstains, and protein-induced discoloration, ensuring expedited performance. Eco-friendly and sustainable, it restores surfaces affected by UV exposure or fire damage. The cleaner breaks down stubborn stains into vacuum-friendly foam, minimizing scrubbing efforts, and maintains lasting brightness. Ideal for those in search of a powerful yet environmentally conscious cleaning solution.

**Please read SDS and always use PPE when applying.*

PRODUCT BENEFITS
